

State Assessed Fees for Filing Charitable Solicitation Registrations

Many states base fees on your organization's financial size. We've included detailed breakdowns for all sliding scale states to help you determine your exact fee tier.

Several states assess monthly late fees or flat penalty amounts. Even states that don't charge automatic late fees can still assess penalties upon review of late filings.

State	Initial Filing	Renewal Filing	Late Fee	Notes
Alabama	\$25	\$25	-	-
Alaska	\$40	\$40	-	-
Arkansas	\$0	\$0	-	-
California	\$50	\$25 - \$1,200	-	See Sliding Scale
